

This is a reminder about the upcoming ETASHI educational meeting on **May 16th**.

We will have sign-in starting at 7:30 AM and will begin promptly at 8:00 AM. We will be meeting at our usual place- Concord United Methodist Church, Knoxville; thanks to Jack Feldmann.

Our speaker will be addressing many of the concerns we see every day in the field about wood structures.

Two brief outlines are attached which describe the meeting schedule and speaker's topic. Thanks to Paul Perry for arranging for this top-notch speaker to come to our meeting.

State CE credit hours: 7

ASHI CE credit hours: 7

Cost of the meeting: \$0 for ETASHI members (hard to beat that price)
\$70 for non-ETASHI members (still a great deal at \$10/hr

CE credit)

Please contact me at: homecheck@comcast.net and let me know if you plan to attend. This is needed so we can get an accurate head count.

One last thing... please invite and encourage non-ASHI members to attend. These meetings are a great way for other inspectors to get their required CE hours and to see the benefits of belonging to ETASHI.
